**STRONG, STURDY, SUBSTANTIAL**

Wood drawers are sanded smooth and finished to a satin sheen. Dovetailed joinery is testament to Paoli's legacy of craftsmanship and durability.

Paoli's exclusive TechAge finish enhances the natural beauty of wood and gives lasting protection.

Full-extension metal ball-bearing suspensions are featured on all Altamont drawers — center, box and file — to offer accessibility, strength and ease of use.

**TASK LIGHTS**

Furniture-mounted task lights are standard on upper storage units at no additional cost.

**FILING & STORAGE OPTIONS**

Altamont's 36" wide box drawers for credenzas and storage units expand storage possibilities for oversized files and papers.

Altamont file drawers work best with hanging file folders. And yet, these drawers are built strong enough for those who sometimes keep books and binders there instead.

Altamont desks 72" and larger offer straight-grain veneer or reverse box pattern inlays of quarter-cut veneer.

Altamont solid wood bullnose edge, 17/16" thick.
