There's a perfect CUBE for everything.  
For public and private spaces – residential, institutional  
or hotel – look to CUBE for the solution that works.

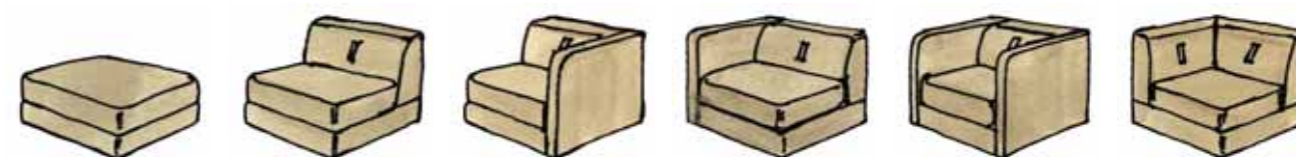

The essence of modern is to use CUBE logic to build a new world of comfort and style.

CUBE is anything you want it to be:  
 armchairs, corner chairs, ottomans,  
 benches and versatile storage modules.  
 With CUBE, your range of possibilities  
 truly knows no bounds.

The CUBE system allows you to invent your own personalized space.  
 Choose wood or metal materials, stationary or wheeled bases, fabric or leather upholstery.  
 Lay it out in straight lines or create dynamic angular ensembles.

An amazingly flexible and practical way to reorganize your office. The intelligent design of CUBE components ensures they can be easily arranged for anything from impromptu meetings to brainstorming sessions.
