

Comfortably shaped urethane over steel arms with connection points underneath the seat and on the outside of the back for superior

strength & durability. Uniquely tailored headrest adds character and functionality. Tapered tuxedo back gives EPIX a sleek, clean appear-

ance. Locking swivel tilt mechanism provides comfort at an affordable price.

Epix series

The Epix series is destined to be a classic with its sleek looks and options. Epix is available

with a swivel tilt mech and a knee tilt version with the attached urethane over steel arms.

Epix is also available with adjustable T-arm for tasking and all-day comfort.

Management Chair

Epix series

The thin overall profile adds to the elegance of EPIX. Height and width adjustable arms provide ergonomic support for

various tasks. Built-in back lumbar and waterfall seat promotes comfort and reduces fatigue. Knee tilt mechanism with

multi-position lockout feature allows the end-user to select from five different locking positions.
