perceiving change,
people work,
constructive results,
that bring success

veer

Double pedestal desk with standard recessed modesty panel (left) and recessed arc modesty panel (right) shown above. Veer components are elegantly detailed with a reveal near the base of each unit. Standard modesty panel is available with optional chrome detail. Pedestals available with file/file and box/box/file storage options.

workstations

Individual workstations designed for the scalable office environment. Five optional edge selections on the desk approach and credenza user side allows affordable design detailing to be added to each unit. By designing the worksurface top to be flush with the end panels and drawers, components cleanly nest side-by-side allowing multi-unit modularity.

management and executive

Executive double pedestal desks are available with bowed and arced tops and straight or arced modesty panels. Enhance any unit with chrome detailing available on modesty panels and edges of paper storage unit. An optional mesh panel is available on flared tops for an elegant executive workstation.

6 LC light cherry on cherry

7 MC medium cherry on cherry

8 DC dark cherry on cherry

Edges

Five standard edge options. Edge options are available on the approach side only of all desks and the user side only of credenzas.

Pulls

Gracefully arced pulls compliment both drawer fronts and storage doors.

Finish

Veneer and laminate tops are available in cherry with light, medium and dark finish options. Optional matte laminates are available. All veneers are carefully slip-matched and balanced.

Chassis

Desks, credenzas and returns feature fully mitered corners and mitered drawer fronts. Available arc and bow top configurations may be specified with an optional user side arc. Flush tops and end panels assure a seamless fit.
