

Zyn series

Zyn™ awakens the benefits of mindfulness and concentration to the workplace in this new seating creation by Gary Bacon and Synergy Product Development. Zyn achieves the correct balance in design, material selection and comfort. The ergonomically shaped back and

seat combined with the dual back post and variety of options and finishes make Zyn the right chair for any project. This multi-use seating line has applications ranging from conference, training, executive, management, task and guest versions to enhance any office environment.

Looking for the perfect number of options? Zyn has it! The chairs are available in three metal finishes—chrome, ebony and nickel. There are two bases – steel (chrome, ebony or nickel) or nylon (black). Both fixed and adjustable arms are available for various uses including task, executive

or conferencing. Mechanisms are available in three options: synchro-tilt, synchro-tilt with seat slide and a swivel-tilt. The unique wrap-around back is available in both high and mid-height versions. The executive chair's adjustable headrest offers height, depth and pivot

action to position it for just about anyone. Conferencing, training, tasking all just got a lot easier with Zyn, where you don't have to give up the look to be ergonomic. Zyn's guest chair has a playful one-of-a-kind motion back for a natural seating experience. The guest chair frame

is available in any of the three finishes: chrome, ebony or nickel to match the office or conference chairs.
